Opening Videos: New World Order, World Health Organization Agenda

George H. W. Bush's State of the Union Address, Envisioning One Thousand Points of Light:

"What is at stake is more than one small country. It is a big idea—a new world order where diverse nations are drawn together in common cause to achieve the universal aspirations of mankind. Peace and security, freedom, and the rule of law."

The London Summit 2009:

"Nothing less than a new world order. This is the pledge of the world's most powerful leaders. Representing 90% of the global economy. Thursday's G20 Summit, they say, has changed the rules of the game."

The London Summit 2009:

"Today, the largest countries in the world have agreed on a global plan for recovery and reform. This involves the biggest interest rate cuts in history. This is the biggest fiscal stimulus we have ever seen. The biggest increase in resources in the history of our international institution."

Remarks by President Biden Before Business Roundtable's CEO Quarterly Meeting:

"Since then, we've established a liberal world order, and that hasn't happened in a long while. A lot of people are dying, but nowhere near the chaos. Now is a time when things are shifting. There's going to be a new world order out there, and we've got to lead it, and we've got to unite the rest of the free world in doing it."

Sen. Herbert Kohl:

"You're saying the government has created weather tampering techniques so that the "New World Order" will be able to starve millions of Americans and control the rest?"

Alibaba Group President J. Michael Evans:

"We're developing, through technology, an ability for consumers to measure their own carbon footprint. What does that mean? That's it. Where are they traveling? How are they traveling?"

What are they eating? What are they consuming on the platform? So, an individual carbon footprint tracker. Stay tuned; we don't have it operational yet, but this is something that we're working on."

"The World Health Organization (WHO) is moving forward to revise international health regulations in response to the COVID-19 pandemic. Some member states are expressing concern over provisions of the zero-draft WHO convention agreement. Critics say the proposed agreement would give the WHO authority over the health care trade and other aspects of our lives. Joining us to explain more is Reggie Littlejohn. Ms. Littlejohn is president of Women's Rights Without Frontiers and co-chair of the Stop Vaccine Passport Task Force."

CBN NEWS, Reggie Littlejohn:

"Hi Reggie. Before we discuss how this ties into US law, what would approval of this zero draft agreement mean for people worldwide?"

"Well, I believe that it will mean the establishment of a worldwide totalitarian biotech state. So these instruments, and by the way, you correctly characterized the zero draft as an agreement, that's what they are calling it. They don't want to call it a treaty because they are deliberately trying to subvert the United States and the other countries' treaty processes. So, if it's an agreement, all it takes is a signature. It does not take going through our Senate, so people say, "Oh, don't worry about it; it will never pass our Senate." Well, they are deliberately subverting our Senate process.

Signatories must recognize, quote, "the central role of the WHO is a directing and coordinating authority on international health work." What do you believe that means?"

"Well, it means that the WHO is able to call the shots if there's any health emergency or "potential health emergency" anywhere in the world. The language which says they have to have the permission of the country is stricken so they can do it without the permission of the country. It's not only about human health, they have something called One Health, which means they can do it on behalf of human health, animal health, plant health, and the environment. They can use any reason they want to be able to come in and basically run the show in terms of addressing any health issue."

"How is the Biden Administration planning to use the National Defense Authorization Act (NDAA) to pre-approve whatever is approved by the WHO?"

"This is something which just came to my attention on Friday from another international law expert: the National Defense Authorization Act, which was run through at the very end of the last Congress, contains within it something called the International Pandemic Preparedness Act. I think most people in Congress don't even know about this, but that act contains a loophole in it, which he argued, and I agree, would make it so whatever the World Health Organization passes is automatically made law in the United States, again subverting our Senate.

This needs to be opposed, in fact, I think, the entire World Health Organization's attempt to take over the world through vaccine passports is another thing they want to do. If these things are passed, the WHO will have the ability to mandate in the United States how we handle a pandemic, including forced quarantines, forced mask mandates, and forced vaccine mandates.

Why should we allow Dr. Tedros, who failed so miserably in handling the Wuhan virus, to order us around about how we handle our own health?" CBN News, Reggie Littlejohn

Dr. Meryl Nass:

"The WHO is developing, through all its nations, but with the WHO director and the United States in charge, a pandemic treaty and amendments to the existing international health regulations which will remove the human rights. Protections currently embedded in the IHRS will enforce surveillance censorship, get rid of freedom of speech, require governments to censor, and only push a single narrative. One Health is another part of this concept that was created to enable the WHO, with these documents, to take over jurisdiction of everything in the world by saying climate change, animals, plants, water systems, and ecosystems are all central to health. Also embedded in this concept is the peculiar notion that humans are no longer of greater value than animals."

Daniel's Sermon:

I think it's safe to say we are living in strange times. No longer can you, as a believer; we, as the body of Christ, run around and say, "Guess what people, you need to get ready. The end is coming, the end is coming, the end is coming!" We can no longer say that because the end is here. If you want proof of this, one of the most overt biblical fulfillments of prophecy, declaring we're literally at the end, is this: the United Nations. Where the world gathers together as one. This whole concept where we "all become one" sounds great; as we'd have one world government. Of course, they're going to bring peace and safety. This entity, if you will, is what heralds the tribulation. We're going to talk about this today. This heralds the tribulation; it heralds the coming of the Messiah.

Here we are in Psalm 27. If we want to truly walk away with what we need to walk away with, ...feeling the weight, power, and how significant this Psalm really is, we've got to talk about some things. We've got to build on what we addressed last week. As an interesting side note, did you know Psalm 27 is traditionally read in Jewish homes and amongst rabbis, twice a day during the month of Elul? They say this reading begins the days of repentance, and they read Psalm 27 twice a day until Rosh Hashanah. Do you know why? Because the reading of Psalm 27 is preparation for the coming of the King, Yom Hamlech. Let me be clear: it was not my intention to tie in Psalm 27, but I find it interesting here we are learning this exactly when the rabbis are reading Psalm 27, specifically in preparation for the coming of the *Mashiach* (the Messiah).

That celebration, also known as *Yom HaKeseh* (the hidden day), is known as the day of the resurrection of the dead and Psalm 27 comes to the table. Absolutely amazing! We're not going to get into Psalm 27, but we are laying a foundation. Like I said, there are things we must bring to the table first. We're going to talk about Bible prophecy and how relevant it is, and we are living on the pages of Bible prophecy right now. Do you know you are an eyewitness to things which are happening that were only read about by Christians and bygone generations? Things they only read about; you're experiencing. I don't know if you really appreciate the gravity of where we are at today in Bible prophecy, but I'm hoping to awaken you to some of that.

With that being said, I want to talk about this. I'm going to take you to the Bible and show you the Bible prophesied thousands of years ago that this would happen. It states this is what the world would do. The prophet Joel says this (Joel 3:1): **"For, behold, in those days, and at that time, When I bring back the captives of Judah and Jerusalem..."**, this is a prophecy.

Let me give you the backdrop of the context of Joel. Joel 3 is about the day of the Lord. Joel literally talks about the sun being dark and the moon turning into blood, and Yeshua in Matthew 24 says, "That's what happens before I return." Joel literally uses the phrase "Day of the Lord." This is the backdrop. This is the context. What I want you to appreciate is this prophecy will be fulfilled at the end of the age. I kid you not, you can fly over to Israel and witness with your own eyes this prophecy has come to pass after almost 2,000 years since the LORD brought the Jewish people back to the land of Israel. This is one of the most significant end-time Bible prophecies ever.

When I traveled to Israel, as I was waiting to get into the land, I saw Jews running all over the place. I'm hearing them speak in Hebrew, and I was astonished that I would be able to witness the fulfillment of this prophecy, something that Jews and Christians have been waiting for thousands of years to happen. The fact that I was able to witness the fulfillment of Joel 3 blew my mind.

This is only half of the LORD's statement; He finishes with the following: (Joel 3:2A) **"I will also gather all nations, And bring them down to the Valley of Jehoshaphat."** This is talking about bringing them into judgment. "I'm going to bring the whole world and all the nations into judgment." God prophecies, "I'm going to bring My people back to their land," and in the same breath, He says, "and at that time, I will also gather all the nations."

Here's what's interesting—we read this: "The United Nations was created on October 24th, 1945." That is significant—1945. When did Israel become a state? A couple years later. You can't make that up. Within a couple years, God had officially brought His people back, and at the same time, the United Nations was created for the sole purpose of gathering the nations together. Even more significant is the date that it was created: October 24th, 1945.

It doesn't mean much to us in the Gregorian calendar, but when you take it into the Hebrew calendar, it is the 17th of Cheshvan. The reason the 17th of Cheshvan is significant is that is the very day the LORD began to reign judgment in the days of Noah. We're literally told of the day that He began to judge the world in the days of Noah. Here we fast forward to what the LORD's talking about. He's going to bring all nations together to judge them, and the UN was created on that very day. It goes on: (Joel 3:2B) **"And I will enter into judgment with them there On account of My people, My heritage Israel, Whom they have scattered among the nations; They have also divided up My land."**

Now this is interesting. This is part of the Bible prophecy in which Jerusalem and Israel will be divided up. Go to Zachariah 14; it literally says Jerusalem will be divided and the land carved up. Now, what's fascinating about this is that if we go back to when the UN was created, one of their, what I would call foundational resolutions, happened within the first couple years that the UN was created. It was a huge concern. It's what they wanted. It's their vision—Resolution 181. Resolution 181 literally calls for the division of Jerusalem through the

UN. They're the ones drawing up the plans. They're going to carve up Israel. In fact, the recent presidents of the United States of America have talked about this. They've actually talked about this, but it hasn't gone anywhere.

Keep in mind, that resolution goes back to 1947, before Israel became a nation, officially a state. They had drawn up these plans, and I want you to ponder that for a second. They had drawn up plans to divide Jerusalem, and according to Zechariah 14, they will. According to Bible prophecy, they will be successful, they will divide Jerusalem, and they will carve up the land. This heralds the coming of the Messiah. Do we realize how close we are to the second return of Yeshua. Do we realize we are at the end of the age? In Revelation 16:13, we read this: **"And I saw three unclean spirits like frogs."** Okay, the imagery of the frog is so significant. Number one, we see frogs are unclean; hence, this is used because these are unclean spirits. That's not all you need to take away, because the context in which this is being brought to us is the context of the end of the age and the judgment. When you go back to the Exodus, the plague of frogs is very significant.

We learn a lot about this. Number one, we're told in the Psalms the plague of frogs actually brought destruction upon the Egyptians. They were agents of destruction. We don't just understand that these are unclean spirits. These are unclean spirits who are agents of destruction who are going out to destroy. There's another element you must add to that. The concept of frogs, which we saw in Egypt, is in the context of God reigning down judgment. It was in the context of great deception.

What do I mean by that? Johnny and John Brace, identified in the targums as the two magicians who worked on behalf of Pharaoh, went toe-to-toe with Moses and Aaron. Moses would cast his rod down, and it would become a snake. Johnny and John Brace, these two sorcerers, you know; "warlocks," cast down their staffs, and they also became snakes. When Moses turned the water into blood (the LORD working through Moses), the magicians did the same. The third and final miracle that these witches performed was bringing frogs onto the land.

Moses brought frogs to the land. Guess what? These warlocks came, and they did the same. Do you know why? So that no one would listen to the powerful word of God. So that no one would heed what God was telling them, and warning them. He was saying, **"Let my people go!"** This was an amazing deception. As we see this imagery of three unclean spirits, like frogs, we understand these are agents of destruction. These are agents of deception. A boatload of deception. Now we continue: **"And I saw three unclean spirits like frogs coming out of the mouth of the dragon, out of the mouth of the beast, and out of the mouth of the false prophet."**

The dragon is the devil. The beast is the embodiment of the devil. It's his image, and the false prophet is the one who comes out and turns everyone to worship the embodiment of the devil, the beast. Some identify this as the dark trinity—the unholy trinity. As you study this verse, there's something I want you to understand about the dragon and the beast. The beast is truly the manifestation incarnate of the devil, if you will.

Moving to Revelation 16:14A: **"For they are spirits of demons, performing signs, which go out to the kings of the earth and of the whole world,"** These demonic, deceptive, agents of

destruction are going to go out to the whole world. What are they going to do? What is their function? Listen to this: **"to gather them to the battle of that great day of God Almighty."** Do you understand when the nations of the world come together and are uniting, it's being facilitated through demonic spirits? They are gathering the world, for war. Which is peculiar because the whole tagline, the mantra of the UN, is "peace and security." That's the mantra. They're going to come onto the scene, and they claim they are going to solve world hunger. They're going to eradicate poverty. They're going to make sure everyone has this wonderful, perfect health care. They're going to bring peace, total peace, and utopia to the world. That's what they're going to do.

You know what's not being told, what no one's seeing, and what's actually happening. I'm going to tell you right now there will be no peace, and there isn't going to be any security. They're not going to solve poverty. They're not going to solve world hunger, and your health care isn't going to improve. We're preparing for war; that's what this is. The UN is enlisting the entire world to join the army of Satan. Do we not understand this? This is literally what is happening.

We read in Revelation 19:19: **"And I saw the beast, the kings of the earth, and their armies gathered together to make war against Him who sat on the horse, and against His army."** One of the directives on the agenda of the United Nations is to create a world-standing army. It's what they want to do because they're preparing for Armageddon. That's the whole concept of what is taking place on this earth right now. They're going to move to take down Yeshua. They're going to move to take down all those who belong to Yeshua.

What does this mean for us when we see this construct, unprecedented in the history of the world? In creating this one world government where everyone is under one government, what does this tell us? It tells us we are literally entering the most difficult, the most terrifying, and the most disturbing days the world has ever known. That's what it means. If you are not ready for what is about to be unleashed, if you are not prepared to suffer for the gospel of Yeshua, if you haven't solidified your heart in obedience and commitment to God in His Commandments, I'm going to tell you right now you will not make it.

You will not stand; you will fall into fear. You will compromise, and you will be taken into Satan's army. In essence, one day you're professing your love of Jesus, and the next day, it may cost you, whether it's persecution or your life, you'll defect. You'll say, "I'm going to go to this other army. I'm going to move to the side of Satan.

We ended off last week in Revelation 21:8. **"But the cowardly, unbelieving, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone,"** Let that permeate your heart. If you give into fear—the fear of persecution, the fear of death, the fear of loss, the fear of pain—you will not make it. You will be destroyed. You know, it's one thing to face the wrath of man. It's another thing to face the wrath of God. Yeshua says, "Do not fear him who can destroy the body but cannot destroy the soul; rather, fear Him who can kill the body and kill the soul." The fear of God will drive out the fear of the devil, the fear of the world, the fear of pain, and the fear of suffering. It will drive it out because perfect love casts out all fear. If the love of Jesus (Yeshua) has been perfected in your heart, you will have the power to say, "No! I will not bow down to your gods. I will not give in."

Revelation 13:1— “Then I stood on the sand of the sea. And I saw a beast rising out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name.”

There are a couple things I want to mention here. The first thing is this beast, rising out of the sea, has seven heads and 10 horns. If you flip the page back to chapter 12, you will read about the dragon, and guess what? The dragon has seven heads and 10 horns. I mention this because you must understand the beast is merely the image of the invisible, dark one. As Yeshua is the image of the invisible God, the God over the entire earth, so is the beast the image of the invisible dark one, the evil one. It's very manifestation. Yeshua walked on the earth and said, “If you've seen Me, you've seen the Father.” He was a true manifestation of the living God of Israel.

This will be a true living manifestation of the evil one. The second thing I want to mention is this, and this is important. What's being described here in Revelation is also described in the Book of Daniel. Now, if you ever want to dig into the Book of Revelation, you're going to need the Book of Daniel. They are related. Don't break up the family; you need them.

It's interesting that there are things which exist in the Book of Daniel that fill in gaps in the Book of Revelation. What's even more interesting is there are things in Revelation which fill in the gaps in the Book of Daniel. They are meant to go together. In movies, when they're going to unlock the nuclear device or the briefcase, there are two different keys. They must turn the keys at the exact same time.

I want you to think of it with that imagery. You need the Book of Daniel along with Revelation. They're related. In the Book of Daniel, it talks about four beasts. It talks about the kingdom of Babylon, Medo Persia, Greece, and Rome, the four beasts of Revelation. Did you know when you calculate the number of heads on these four beasts, in total you have seven heads with a total of 10 horns? This is all rolled into one beast. There's one beast in Revelation.

This is significant because when you consider the powers from the beginning of the first beast to the end of the last beast, in essence, you describe all of them. When describing this one beast, it is describing an unparalleled power in the history of the world, whose reach and influence are unlike any other kingdom. The United Nations fits this description. They're instilling and installing this one world government. It's absolutely bananas.

Let me highlight this: “and on his heads a blasphemous name.” It doesn't tell us exactly what, but if you turn to scripture, there's plenty in the word that talks about the devil blaspheming God and what that looks like. We can speculate through scripture. If we turn to Ezekiel 28, the devil calls himself God. “I am Elohim, and I sit on the throne of Elohim.” He exalts himself above the congregation. That's blasphemy. I think of the blasphemy of calling God a liar, as he did in the Garden of Eden. He convinced Eve that God was a liar. “Has God really said you shall not eat of every tree?” Eve says, “Well, we'll die.” Satan says, “You will surely not die.” He called God a liar—blasphemy! Whatever the case may be, these are examples, and this is the reality of who this entity is. It's *choshek*, or darkness.

(Revelation 13:2) “Now the beast which I saw was like a leopard,”. Now get this, pay attention. The body is a leopard. “His feet were like the feet of a bear, and his mouth like the mouth of a lion.” and I want to stop right there. Go back to Daniel, and guess what? Babylon is described

as a lion. Medo Persia, the second beast, is described as a bear. Greece is described as a leopard. So, you have all these beasts coming together as one. And then we read: **"The dragon gave him his power, his throne, and great authority."** I think about the righteous version of this: Yeshua says, "All authority has been given to Me in heaven and on earth." The very One Who is the image of the invisible God. Now we have the beast taking on a dark side, getting all the authority and power from the father of lies. From the unseen one.

I showed a picture, maybe a year ago. The UN recently featured a new statue at their headquarters, which is in Midtown Manhattan, New York City. I want to show you this because this is one of those moments you'll be like, "You can't be serious!" This is pure evil. The United Nations unveiled a statue, an image, at New York City headquarters which resembles the beast of the book of Revelation. I read commentary by people who don't subscribe to the Bible but who went to the Bible, and they were shocked. They're like, "Okay, that's weird." "It's creepy they would literally create this." This is the body of a leopard and the mouth of a lion, and they looked at the paws, which resemble the paws of a bear. Are you kidding me? What prompted them to bring this beast to the headquarters of the UN? It gets even more fascinating. You see, it's fitted with wings.

Refer back to Daniel, Babylon and Greece bear wings. You can't make this up. To be clear, my eschatology does not rest on a statue or on an image. But when you're talking about Bible prophecy, along with everything we're going to cover today, combined with the image sitting at the headquarters of the UN, that's nuts.

(Revelation 13:3) **"And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all of the world marveled and followed the beast."** These demonic spirits go out to seduce and allure the entire world. They come together as one, with one agenda, and it isn't the Lord's agenda. (Revelation 13:4) **"So they worshiped,"** because that's what this is all about at the end of the day. This is the battle of worship. **"So they worshiped the dragon who gave authority to the beast, and they worshiped the beast."**

Listen to what they say: **"Who is like the beast? Who is able to make war with him?"** They're saying there's no one; he's unmatched. No one has the power to take him down. Do you understand why they're joining forces with the army of Satan?

There are many passages in scripture that declare, "Who is like the Lord?" "Who is like the Lord, our God, Who dwells on high?" I could show you passage after passage. This is what the Bible is declaring. This is what the righteous declare. The wicked will be declaring, "Who is like the beast?" We will have two armies rising up to do battle, and they're both claiming, "our god reigns" and "our army is more powerful."

(Revelation 13:5) **"And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months."** (Revelation 13:6) **"Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven."**

Unleashed and vomiting filth out of his mouth, (Revelation 13:7) **It was granted to him to make war with the saints and to overcome them. And authority was given to him over every tribe, tongue, and nation.** This would mean a one-world order. This would mean a one-world

government with total control. He has so much control that he has the authority to take the believers down and end them. This is what is being described here as the great tribulation. This is when the world hits a fever pitch. When authority is given to him over every tribe, tongue, and nation. The world comes to a place where they can no longer stand the sight of you; you're a stench in their nostrils.

You're like what Paul talks about in 2 Corinthians. You become the aroma of death; you become the disease which needs to be eradicated; they don't want to hear your filthy worship of Jesus. They don't want to hear you talk about the Word of God. They don't want to hear you talk about how their sin is going to lead them to hell. They are going to come to the point in which they say, "We're done!" And then the killing begins, and then the persecution begins, and then the imprisonment begins. It's going to happen in mass. The Bible declares it. I think of Psalm 105:25; It says, **"He turned their heart to hate His people."** If you want to understand Bible prophecy, Exodus is filled with a treasure trove of information you need to possess for understanding and discernment in Bible prophecy as a whole. It's a template. Listen to me carefully because this is important. Before the LORD came and delivered Israel, He did something. He turned the hearts of the Egyptians to hate His people, to despise them, and to mistreat them. In fact, Israel suffered more before the LORD took them out. They suffered more than they had ever suffered in the history of their nation. They suffered greatly. But now I want to give you some good news. I hope you'll take this to the grave.

I hope this will bring you hope, success, and strength to endure so you don't cave to fear when persecution begins. When it grows stronger and stronger and you don't feel you can go on, when they're putting Christians to death and you're seeing a blood bath, when you're losing it psychologically. You can't do it without the Lord.

Before God comes to deliver you, He's first going to give us over to the world for the world to hate us. We should be mindful during the world's escalating hatred and intolerance, knowing Jesus is coming soon. He's coming back to get you. Now if there's anything you need to be mindful of, it's that Yeshua is coming, so when the persecution intensifies, we can smile. We're another day closer to the Lord's return. That means He's coming back to deliver us. That is powerful for me. Take that with you. With that being said, I want to jump to the Book of Daniel.

I want to show you what we're going to read in Daniel. What we just read in verses 6 and 7 says the exact same thing. The only thing is that there's one little detail we need to take away in Daniel 7:25, **"He shall speak pompous words against the Most High, Shall persecute the saints of the Most High"** (we already read that in Revelation, we got that), **"And shall intend to change times and law."** When you get to the end of the age and you have this rise of a new world order, of a one-world government, the spirit of Antichrist is going to seek to change times and law. And if you're paying attention to the video, it's already happening. It's already happening because the UN is coming to place their one world government upon all the governments of the world.

There is going to be a change in the economy. There is going to be a change in healthcare. Your personal rights and freedoms will be directly impacted. Your right to freedom of speech is going to be impacted. Your ability to bear arms is going to be impacted, all in the name of peace and security. You'll lose all your liberties. They will tell you; you don't understand. It's for the greater good. It's for the greater cause. This is going to help the polar bears, who are floating on ice

cubes in the middle of the ocean. The insanity that the UN is trying to sell is delusional; it's demonic.

When I think of this, I think of the Apostle Paul in 1 Thessalonians 5:3. The Apostle Paul talks about Yeshua coming as **"a thief in the night,"** and so we're talking about the end of the age. We're talking about the end of days. "Yeshua is coming as a thief in the night." He says this in that context: **"For when they say, 'Peace and safety!,' then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape."** This blows my mind. Paul said at the end of the age, the darkness, the wicked would be declaring "peace and security," and we literally have this being trumpeted right now.

If we go back and look at what is being described here, that he's going to seek to change times and law, understand this is not just about affecting your gun rights and how you're accustomed to liberties and freedoms in this country. The Bible tells us when the beast implements his power, he is going to change times and law.

Let me read you a few headlines. "The UN Looking to Push Religious Communities to 'Fully Comply' with LGBTQ Agenda." What that means is the churches, pastors, and Christians who are operating as legitimate communities of faith would have to disregard so many parts of the Bible which call sexual immorality as a whole; whether it's adultery, fornication (sex outside of marriage), or homosexuality, a sin. God doesn't define it as sin because he hates people who live a homosexual lifestyle.

The media, which is corrupt and disgusting, pushes the narrative that Christians hate gay people when, in context, it's God's love for these people is wanting to pull them out of sin so they can live with Him for eternity. The beast is going to try to usurp all the churches, and it's already happening. We read: "U.N. 'Expert': Religious Liberty Must Yield to LGBT Demands." If there's anything you need to understand about the antichrist, about the beast, or about the devil, he will demand compliance. I wonder if you're going to give it to him when it starts to hit the fan. We read this: "United Nations is Building 'Digital Army' to Censor Online 'Disinformation.'" The Bible is being called "disinformation".

Again, going back to Satan in the garden, do you know what he did to Eve? He convinced Eve that what God said was disinformation. God said, "You will surely die?" Satan said "You will surely not die." Satan convinced her that what God said was "disinformation." It was the truth! Plato, the Greek philosopher, said, "No one is more hated than he who speaks truth." We live in a generation where good is evil, and evil is good. The Bible, which is truth; and the truth will set you free, is being called disinformation.

Listen to this: "WHO and United Nations Coordinate Global Plan to Decriminalize Pedophilia." Can you say changing times and laws? The whole concept of criminalizing pedophilia is to keep sick people away from hurting our children and traumatizing these innocent ones. That's the whole point. Pedophilia should remain criminalized for good reason.

If society were to decriminalize murder, for example, what do you think is going to happen? All hell is going to break loose. You could say, "Well, there's no accountability for murder, so I'm just going to take you out." This is what happens; this is what the devil is doing. The UN is going to put a blanket of darkness over this entire world, and then they'll celebrate this as good for the

environment, ecosystems, animals, and humanity. It's good for humanity, as the UN pushes the agenda.

If kids survive the womb, they're unleashing pedophiles on them, but they want to make sure they try to kill them in the womb. The UN is known for doing this; they are very supportive of abortion.

I want to take you to the Apocrypha, specifically the Book of Maccabees. Luther said in his second disputation: "2 Maccabees has weight with the faithful, but it won't avail against the obstinate." Luther and Biblical scholars going back to the time of Yeshua valued this, and I'm going to tell you why it's so valuable for us today. It's when you read Daniel and what it's talking about regarding the beast and with regard to the antichrist. The Maccabees record the fulfillment of that prophecy. This is invaluable information. We get to see the fulfillment of what Daniel was talking about. This is a template of what we can expect at the end of the age because it will happen again.

In 1 Maccabees 1:41, we read: **"Then the king wrote to his whole kingdom that all should be one people."** What is the heart of the devil? That all the kingdom come together as one, but specifically in a particular context, which is, to bend the knee and worship him. He wants to exalt himself above the congregation. He wants to be worshiped. That's the whole concept of one world government. All are to be one people, and all should give up their customs. What it means here is that you walk away from prior beliefs and yield to the ideology of sexual immorality and abortion, for example.

Verse 43: "All the Gentiles accepted the command of the king. Many even from Israel gladly adopted his religion;" If you want to understand how it's going to go, this is an incredible template of what will play out in our days. What we're told here is the Jews, explicitly Jews, whose fathers entered into a covenant with the LORD and declared whatever the LORD says we will do. These are the people who kept His word. They are called to follow Him.

When things got real and Antiochus Epiphanes, who is this supposed god, manifested, this antichrist figure rose up and started threatening the community, hurling threats even upon death. What happened? Many, even from Israel, concited. They bent the knee out of fear. It was at this point that they didn't have His Torah in their hearts and that their eyes truly weren't upon the God of Israel.

Then it goes on and says, **"And they profaned the Sabbath."** The spirit of antichrist will demand you walk away from the commandments of God, and instead of resting on Shabbat, you'll be commanded to work. This is the heart of the devil. When people tell me the Sabbath doesn't matter and you don't need to keep the Sabbath, I'm like, that's crazy; this is what the antichrist said. That's absurd.

(The Maccabees 1:48b) **"They were to make themselves abominable by everything unclean and profane."**

You know the Seleucid army who were working on behalf of Antiochus—this Antichrist figure—they were force-feeding pork down the throats of the Jews. If the Jews would not partake of the pork, they were literally put to death because they wouldn't eat pork. It's interesting. Do you think the enemy might want to try to do this all over again? You better

believe it, but there were Jews who did not concede. They died because they understood that this temple (our body) is the temple of God. They understood it was more important to keep the commandments of God than to fear man. They had the fear of God.

(The Maccabees 1:48b continued) **“so that they would forget the law and change all the ordinances.”** That's what the Antichrist is after. That's the whole concept. Do you know what the LORD says in Deuteronomy 8? He says, “See that you do not forget Me by not keeping My commandments.” Do you know what it means to forget the LORD? It means you walk away from the commandments; that's what it means. That's what the Antichrist is wanting. The Antichrist, that beast, the spirit of the devil, wants you to remember him and his ways and abandon the ways of God. There's no other way to describe it other than that it's demonic.

(The Maccabees 1:50) **“He added, And whoever does not obey the command of the king shall die.”** This is the devil's go-to: obey him or die. Obey me or be imprisoned. Obey me, or I'm going to persecute you. Obey me, or I'm going to hurt you badly, or I'll come after your family.

(The Maccabees 1:51) **“In such words he wrote to his whole kingdom. He appointed inspectors over all the people and commanded the towns of Judah to offer sacrifice (to pagan gods) town by town.”** Isn't it interesting that the spirit of antichrist—the one that goes out and says we all need to be one people—we all need to get on the same page, ensuring compliance? He sent out these inspectors. Now what do you think about all this nonsense about vaccine passports, digital IDs, digital currency, and digital trackers? What do you think this is all about? Ensuring compliance. Making sure you will be compliant with the devil's bidding. It is coming, and it's happening as we speak.

(The Maccabees 1:57) **“Anyone found possessing the book of the covenant, (Torah) or anyone who adhered to the law was condemned to death by decree of the king.”** When the spirit of antichrist comes in with great power, the people who confess the name of Yeshua and keep His commandments are going to stick out. They're going to be found out. It wasn't that long ago, but when the whole COVID insanity hit, I called it for what it was. It was the spirit of the devil trying to tell churches they could no longer sing praises to the Lord. How many of you remember the insanity and the stupidity? It blew my mind that they were going to try to stop the praises of the Most High God. I will not live in a generation where the rocks have to cry out. I'm not doing it. I will stand with believers, and when we're told we can't sing praises, that's exactly what we're going to do!

Do you remember being told we couldn't gather anymore, and everyone had to be separate? Neighbors had a hotline they could call to tattle on their neighbors who had joined together because people were still doing Bible studies. There's going to be a time when it's not going to bounce back. It's going to hit the floor, and how are you going to respond? How are you going to deal with this?

The devil is going to leverage the fear of death, the fear of pain, and the fear of suffering in each and every one of us. Unless we have Yeshua in view and the love of Him in our hearts, you will not stand.

I'm reminded of a conversation the LORD had with Satan in the book of Job. I love this part because this is a rare experience. It's one of the rare moments when we see the LORD and His behavior. It's so cool because He taunts the devil, and yes, I take joy in that. The devil had already attacked Job and expected Job to denounce the LORD. (Job 2:3) **Then the LORD said to Satan, "Have you considered My servant Job, that there is none like him on the earth, a blameless and upright man, one who fears God and shuns evil? And still he holds fast to his integrity, although you incited Me against him, to destroy him without cause."** Look at what happened." The devil responds to the LORD; listen to this. (Job 2:4) **"So Satan answered the LORD and said, "Skin for skin! Yes, all that a man has he will give for his life."**

Do you understand Satan is betting against you? He is convinced when he puts your life on the chopping block, you will bend your knee to him. You will bend your knee to fear, and you will worship him. We're looking at one of the most righteous men who ever lived on the earth and Satan was convinced that when it came to his life, he would bend the knee. Satan is betting against you. Know that! Don't give him the joy of proving him right. Hold the line.

(Revelation 13:15) **"He was granted power to give breath to the image of the beast that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed."**

Your option is going to be simple. Either you worship the beast, or you die. Again, is this something you are prepared for? Is your heart in the right place? Is your faith immovable? Have you done what David did? Have you set the Lord at your right hand so that you will never be moved? Even though David experienced all this radical and oppressive fear, David's faith and trust in the LORD held the line. Doing this is the only thing that will fight this demonic power because it's so compelling and convincing that it's suffocating at times.

I am taking you to the book of Daniel, which is so relevant to the Book of Revelation. Nebuchadnezzar builds this great golden structure, this image, and he commands all peoples, nations, and languages that dwell in all the earth to bow down once the music starts. Shadrach, Meshach, and Abed-Nego were God-fearing Jews, friends of Daniel, who were prepared for this moment in their hearts because they had spent time seeking the LORD with all their heart, all their soul, and all their strength. They loved Him more than anything; they're ready for this moment.

(Daniel 3:14) **"Nebuchadnezzar spoke, saying to them," "Is it true Shadrach, Meshach, and Abed-nego, that you do not serve my gods or worship the gold image which I have set up?"** Nebuchadnezzar goes on to say, I'm going to let the musicians play a little bit longer, and I'm going to give you a chance to get this right because maybe you're confused about what was going on here. Once the music starts, you bow down and worship my gods. If you bow before me and prostrate yourself before this image, we're good; if you don't, I'm throwing you in the fiery furnace. He threatened them with death. Listen to their response.

(Daniel 3:16-17) **"Shadrach, Meshach, and Abed-Nego answered and said to the king, O' Nebuchadnezzar, we have no need to answer you in this matter." ¹⁷"If that is the case, our God whom we serve is able to deliver us from the burning fiery furnace, and He will deliver us from your hand, O' king."**

We're not bowing down because our God is greater. Who is like the LORD? I mean, in essence, this is what they're crying out for. No matter what you try to impose on us, we don't care. Our God is greater. Their hearts are prepared, and their faith is rock solid, but then what they say next is amazing.

(Daniel 3:18) **"But if not, let it be known to you, O' king, that we do not serve your gods, nor will we worship the gold image which you have set up."**

Do you understand? They said even if God doesn't deliver us, we know our God is able to save. The LORD does according to His will. If He chooses to save us, we're going to be saved. But if He doesn't, we will not bow down. If we must be hurled to our deaths, we will not waver in our faith. These three men were willing to sacrifice their lives because they were set apart from the rest of the world. They didn't have the world in their hearts. That is an amazing thing.

(Revelation 2:10a) **"Do not fear any of those things which you are about to suffer. Indeed, the devil is about to throw some of you into prison,"**

This is Yeshua. The way He starts out this discussion is: **"do not fear."** We're not supposed to fear. That means you get prepared, and you listen to these words. He's telling us that something is coming. We know persecution is coming. This is going to be hard, and Yeshua says don't give in. Don't bend the knee out of fear. Hold the line. Make Me your light and your salvation. But then He says this: **"You're going to be thrown into prison."**

(Revelation 2:10b) **"that you may be tested, and you will have tribulation for ten days. Be faithful unto death, and I will give you the crown of life."**

These are the words of Yeshua; it's the call for this generation to be faithful unto death so we may receive the crown of life. When tribulation comes knocking at your door, along with persecution and fear, know this: you are being tested.

Going back to Deuteronomy 8, do you know what it says? It says the LORD brought Israel out into the wilderness, which was terrifying. Do you know why? Because there were no supplies, no food, and no water. It says He brought them into the wilderness and allowed them to hunger and thirst. He allowed them to hunger and thirst because He wanted to know what was in their hearts. He tested them because only through testing do we get to find out who you really are, what you really believe, and how much you really love Him. It's only through testing that love is truly identified. We've got to pass this test on what is coming. This message is not about sowing fear. It's about sowing preparation. It's about sowing the fear of the Lord because this world is passing away. There's nothing here for us, and the more we get that, the better off we are going to be.
