“Praise the Lord! Sing to the Lord a new song, praise Him in the assembly of His saints! ...Let them praise His name in chorus and choir wnd with the dance, let them sing praises to Him with the tambourine and lyre! For the Lord takes pleasure in His people; He will beautify the humble with salvation and adorn the wretched with victory. Let the saints be joyful in the glory and beauty the Lord gives them.”

#### Confession

Dear Lord, we confess that it is very difficult when we come close to brothers and sisters who have different perspectives and views from our own. Help us to love unconditionally as we fall far short of this if we don't feel the unity of mind.

#### Thanksgiving

Thank you dear God for your steadfast love that endures forever and for giving us your Spirit to lead and guide us. Thanking you for the Spirit of God who will work through the team members for the best outcome.
