

## Wednesday, April 8: Prayers for our Global Mission Partners

“Let us then approach God’s throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need.”

Hebrews 4:16 (NIV)

### For China Partnership

#### Adoration

Father God we praise you for your powerful grace. You are the giver of all good gifts and we know your mercy blesses and sustains us.

#### Confession

Father we confess that our confidence in you can waver when our situations feel overwhelming. Give us a boldness to trust your grace and to receive your mercy.

#### Thanksgiving

We thank you for the ministry of China Partnership and our call to partner with them as they seek to empower the church in China.

#### Supplication

Father, we thank you for the example of power in the gentle boldness of Jesus. We pray this boldness over China Partnership and the pastors of China as they engage in prayer and bible studies with their worshipping communities. May your message of truth and salvation be shared and heard with joy and open hearts.
