

Good Friday. First Congregational Church at 7 p.m. Friday, April 10: Prayers for our NAPC Family

“The ministry of this service is not only supplying the needs of the saints, but is also overflowing in many thanksgivings to God.” 2 Corinthians 9:12 (NASB)

For The Resources Pillar Of The Church (Business Office, Hr, Finance, Presbyterian Opportunities)

Adoration

What bits of God's character can we see in our Resources pillar?
In what ways do we praise God for them?

Love

What are things we love about our resources groups? What are ways that they need support? How does God want us to love them? What can we learn about God's love for them? Are we reflecting this love? How can we love Him through our resources?

Thanksgiving

What things make us thankful to God for our resources groups? How can we convey our thanks to both God and the groups?

Asking

What are some of the resources groups needs? Ask God to show you one gift of His, character trait of His, or fruit of His Spirit to pray that they will receive/will manifest in their lives (ex. His peace, faithfulness, renewal, grace etc.) Ask God to sustain them, encourage them, refresh them, and nourish them.

Resolutions

What is one thing that you will resolve to do on behalf of these resource groups? (Ex. Pray daily or pray weekly for them, write or type them an encouraging note of thanks, be extra kind and understanding with them, fulfill your offering pledge, volunteer.)
