

# Christmas 2019

*John 8:12* - When Jesus spoke again to the people, he said, "**I am** the light of the world. **Whoever** follows me will **never walk in darkness**, but will have the **light of life**."

- Darkness is annoying, frustrating, and discouraging, but light is illuminating. It makes clear your path.

*Psalms 36:9* - For with you is the fountain of life; in your light we see light.
