

The Dream Becomes Reality

Vision – the most important

When you have vision, you'll do whatever it takes to bring it to pass.

If you need faith, you'll get the faith.

But without a vision, who needs faith?

Vision is the motivation – it's the drive – to get FAITH!

VISION - a mental picture of the future state.

Vision is the ability to see your dreams, your goals, and your desires before they exist in the natural.

Joshua 6:2 - And the Lord said unto Joshua, See, I have given into thine hand Jericho, and the king thereof, and the mighty men of valour.

2 Corinthians 4:18 - While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.

VISION IS WHAT GIVE YOU PURPOSE!

COMMUNICATION

*There are people who have great ideas – great vision – great purpose.
But they don't get others involved.*

Without communication, no one is going to get involved in the vision.

Our definition of Communication -

Communication is the ability to implant the vision in others.

Vision and Communication work together.

1 – first you have to have a vision, a purpose;

2 – and then you being to communicate it.

As you get other people involved, you begin building a team to bring the vision to pass.

Proverbs 15:22 - Without counsel purposes are disappointed: but in the multitude of counsellors they are established.

Proverbs 27:17 - Iron sharpeneth iron; so a man sharpeneth the countenance of his friend.

Examine yourself: lack of vision or purpose, means lack of:

1) ambition; 2) lack of creativity; 3) and lack of action.
