

I sense The Lord is saying:

We have history from God that precludes our Now and directs our future. Jacob represents our past and The Lord has chosen Jacob as his inheritance. When He saw us lost in the world, thrown out in the open field like a newborn baby left to die with no one to care for the child, laying in their own blood. He said, LIVE! It was His blood that wrapped around and swaddled us so we could Live, His Compassion.

That is why He came and continues to come by His Holy Ghost to haunt our past with His History of who we are in Christ. People are His Masterpiece, valuable, chosen, deeply loved just as they are even though they are Jacob.

We can't just "go forward" till we deal with our past like Jesus Does. Our real history, like our nation's history is founded in God and that will be exposed to this nation. A History of being founded in God. He is that God that is, Was, and is to come. His Spirit is going throughout the earth seven times stronger than the devil goes about seeking someone to devour.

The Spirit of The Lord: Wisdom, Understanding, Counsel, Might, Knowledge and The Fear of The Lord is sent throughout all the earth to draw Jacob to himself and transform him into Israel. A Prince with God. The Father is reaching out to the children and they are responding and will bring their families. Jacob's portion is the "former of All things", and He will transform them into the image of Christ. That transformation will and continues to affect the world for good.

This is my time and I will claim it in 2026. I will insert myself into your situations, for I will be with you. Earth is going to feel a move of Divine Power. A sound of heaven is being announced to earth, it is a sound of shift, a **CHANGE**. This is the season and time for a shift change. Something new and fresh out of the old season. 2026 is a year of new beginnings.

Time of alignment with Me, see where you need to align. Make changes to align with me. Draw close to me, keep up with Me.

2026 is the year of suddenly. My purpose will advance through people. Be prayed up. Be willing. Have an open heart to submit to **MY WILL**. Walk in love. Walk in faith. Be quick to forgive. Come into 2026 with obedience. Ask my forgiveness for things left undone in 2025. Stir yourself to win souls. Reach out to people. You are My distributor.

Prophets being raised up. Children will prophesy.

2026 I am serving notice according to Ephesians. Serve notice to principality, on every power, on every ruler of darkness of this world.

Come out of the wilderness and walk in your authority, your power. Walk in the power you have been given. Know that I am God.

Put me first in everything, first fruit offering is a covenant with me. I want to be first in everything in your life.

You are called, appointed, and anointed for impact. You are my instrument for the kingdom, my distributor of goodness and love, a carrier of My glory everywhere you go.

Lay yourself on the altar. Be ready for a new dimension of ministry. Alignment with Me will determine assignments. Stay connected no matter what you see or hear.

2026 Prophecy

Prophetic Word from Joan Marie Miller for 2026

In the year 2026 it will be a year to come to know the Father based on our relationship with Jesus, not what we think we know, read been or been taught. it will be revelation knowledge from the Holy Spirit.

God is moving and shifting things around for us to see clearly His love, His heart His mercy in how He is moving in our lives in our country and in the world.

It's going to be a year when we will see a sea of people coming to the Lord young and old.

People will begin to see the light You're bringing them into. And you will shine for Jesus and they will know you've been in the presence of the Lord.

Like when Moses went to meet God and shone so brightly that he had to cover his face. But now in this year 2026, people will be drawn to you because of Jesus in you. They will ask you how they can be in that place where they come to know the Father's heart and you will tell them that Jesus is the way to the Father's heart.

A prophet once said God is putting His people in a no-fly zone. Meaning fully protected in the land of Goshen.

Mothers will see their children do marvelous things such as laying hands on the sick and prophesying and even going up to strangers in parks, grocery stores, or restaurants.

When they prophesy over these people, they will believe in God because they will know only God could have told them these things. You're going to see people you've been praying for - in some cases for years - coming out of darkness, out of caves, addiction, isolation, depression, hopelessness and dark places.

Isaiah 40:31 (KJV): But they that wait upon the LORD shall renew *their* strength; they shall mount up with wings as eagles; they shall run, and not be weary; *and* they shall walk, and not faint.

1 Corinthians 2:9 (KJV) But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.

Jesus is calling them out like ^{Lazarus} ~~Elijah~~. Watch the children. God is using children and young people. This is an awesome time we are living in. The Lord says just believe.

The stone has been rolled away and people are walking free.
Blind eyes seeing, I believe more on spiritual eyes but also in the physical.
Hearts that have been cold toward the Lord will be changed.

THIS YEAR IS A TURNAROUND YEAR

Names You have given to Your children like Hope, Divine, Heavenly, and Isaiah will begin to line up to their purpose and destiny.

Suddenlies are coming in a moment. Jesus is planting mantles and anointings on them, and to those who have it already will blossom and be greater – just believe.

Doors opening up and doors not of Him will close. Doing and going places in Him you've never thought possible.

Prophetic Word for 2026 – Nina Lopez

We need to prepare and walk in the full authority that God has granted us by the Spirit, which is the super natural gifts of the Holy Spirit.

This is more than just possessing the power, but it is largely about taking up the mantle and teaching others, and to leave a legacy to the younger generations, that we as children of God Almighty, walk worthy of our calling, which is to be filled with the Spirit, redeeming the time and to run with the torch in our hand the race set before us, and to take as many as we can with us.

If we don't leave a spiritual legacy, the physical legacy won't last and will not sustain the generations.

The edification of the saints will have a lasting effect, and will bring many to eternal life, which is the true legacy we're called to leave behind.

Prophetic Word for 2026

Johanna Laura

As we are on this journey, we will continually notice that the divide between light and dark will grow greater. The chasm between the two will be deeper and wider.

This will drive some into the glorious Light of Christ, and others spiralling deeper into the abyss.

It will be increasingly harder for true Believers to be deceived, this is a gift from the Holy Spirit. We must always pray for God's wisdom in this.

Be prepared to speak our authority in Jesus over any and all demons we are confronted with, to incapacitate them in the presence of Almighty God, and the Holy Spirit of Jesus Christ that resides in us.

There will be more great and mighty acts of God this year, things only He can do! It will bring fear to non-believers, but comfort of His ultimate control to His people.

Practice being in His presence.

Rehearse His faithfulness and great deeds of the past, especially the ones specifically done for you and your family.

Cling tightly to what He has already done for you, and then you will be assured that He will continue to watch over you and your family in these times.

Thank Him and praise Him continually. Keeping your eye on Him, and you will not be looking to the right or to the left, and you will remain on the path He has laid especially for you.

There is no greater safety or joy than being in God's will.

Do you love Him?

Do you love Him?

Do you love Him?

Show Him your love.

Prophetic Word 2026

On December 10th during the class activation in the prophetic ministry class, I saw a soldier in battle armor on the ground, rising off of the ground with a fierce determination on their face. Once they stood up, they were in a battle stance! This wasn't something that was by self motivation, but the soldier was responding to someone telling them to "Rise! "Get up and fight. I have trained you for this moment." That someone is the Lord!

What Does it mean?

This is the word that I believe was given to me for the new year... IN 2026, IT IS TIME TO RISE. The year 2025, was a year of training. It was a year The Lord used to get some foundational things settled in us so that in 2026, we will be ready to rise and go on the offense. Whatever the Lord did within you in 2025, the discipline, the training whatever actions were taken... it was for 2026!

When January 1st hits, it is time to rise in your anointings. It is time to rise in your calling. It is time to rise and not shrink back because there is no going back to old ways now; God has given you something new. The Lord has revealed things that he wants you to pursue and how to achieve them! He has revealed how he wants you to attack. He has given you the truth... and if He has given you the truth, then you must walk in it in 2026. Take back what the enemy has stolen from you and take territory by going on the offense! Church, this is not a time to play games and be idle or lazy. This is a time to take territory. We must rise up and take land that the Lord wants us to take. Whatever He trained you in, whatever He disciplined you in, whatever He taught you in 2025, was so that we can run and rise up in 2026.

We are not supposed to be on the ground; we are supposed to RISE from it. In 2026, you may take hits, you may stumble a little bit, the enemy will come at you, but you are not supposed to be on the ground. The Lord has taught you how to walk and how to fight in 2025. Again, it is time to rise! The Lord has told us to finish strong in December... get up off the ground so when January comes... you Rise and fight. We take the fight to whatever strongholds there are. You take the fight to whatever is holding you back from finishing those projects that the Lord has given you. Take the fight and rise in your anointings and callings.

Stop walking wounded, stop walking in despair, stop walking in discouragement, stop walking in the lies of the enemy. Stop! The Lord has told you to rise, so get up. Get ready and go for it in 2026, in the name of Jesus, Amen
