## **VISION** and **DIRECTION** of Family Church

---

1. Why should the Church find its *vision* and *direction* from God's Word?
2. What makes God's Word so powerful that it transforms hearts and minds?  
Please answer with Scripture...
3. Memorize the mission statement and go around individually and share it when we meet.

Family Church mission statement—We exist to **GLORIFY** God by **JOYFULLY** living out His **WORD**

4. Why is it so important to have *joyfully* in the mission statement?

### *Break up into small groups*

1. Why do we believe that joyfully living out God's means that we're joyfully living for Christ?
2. I would ask you to share with the group if you're finding your joy in Christ?  
Why or why not?

Please pray for each other, and pray specifically, that we'll find our satisfaction as a Church and as individuals in Christ and His Word.
