3. Through the Cross what has been taken away from us? Support your answer with scriptures.
4. Through the Cross what has been given to us? Support your answer with scriptures.

Break-up into your men's & women's groups

This break-out time is your groups opportunity to really discuss what is going on in your life, marriage, work and your walk with the Lord. Think of what you would like to share with the others in the group during this time how they can encourage you, pray for you, etc. Also be on the look-out for ways you can encourage, and pray for others during this time. Here are a few ideas.

How has your time with the Lord been lately?

What have you been encouraged lately in your time and walk with the Lord?

What are some specific ways others can pray for you this week?

Is there a desire as a group to meet any additional times for prayer, study, etc?
