### **Break-up into your Men's & Women's Small Groups**

Go around and discuss how things have been going in your time with God's Word the past few weeks. (Highlight praises, encouragements, fumbles, and areas you are growing in/seeking to grow in)

BRIEFLY share with others in your group something meaningful that you have recently read or studied in your time with God's Word. ( Remember others might want to share also so please be brief)

Have a time of Prayer in your group for your Love for God's Word to grow.
