FAMINE in the ***LAND***

Read **Genesis 47:13-27** and start with prayer

Egypt was in the middle of a severe famine and the Egyptian people were just trying to survive while the Israelites who moved to Egypt were thriving!! In the message we compared it to our spiritual condition.

1. In your estimation do you think most churches in America are spiritually flourishing or do you think they are spiritually poor? What would you say about Family Church are we thriving or are we in a famine? Why?

2. Why is the answer to being in a spiritual famine call us to repentance?
Please answer with Scripture

Break up into small groups

1. Are you passionate for Christ? Do you love Christ above all else? If you answer is yes than your flourishing spiritually, if you answer no then your in a famine.

a If you answer yes I am passionate for Christ than I would ask you what's helped you continue to grow in your desire for Christ?

b. If your in a famine spiritually I would ask you what do you need to do today to grow closer to Christ?
