The **GOSPEL** is **LIFE** and **LIFE** is **IN** the **GOSPEL**

Read **Genesis 45:16-20** and start with prayer

1. How are we like the Joseph's brothers?
2. Why is it important to understand our true wickedness when we're talking about the Gospel?
3. How does the Gospel display God's love for us?
4. How do you explain the Gospel to others?

Break into small groups....

1. Often it seems Christians believe that the Gospel is only for evangelism, but how is the Gospel for believers as well?
2. How does the Gospel help us to see our sin? How does the Gospel help us to see God's grace? How does the Gospel help us to grow in our joy for Christ?

Pray that we will grow and mature in the Gospel!!
