WELCOME TO WORSHIP

GREETINGS IN THE NAME OF OUR LORD & SAVIOR JESUS CHRIST!

I am so happy that you made the decision to worship with us on today after a long week of life responsibilities. If this is your first time visiting us, we hope that you enjoy your experience!

Today I am continuing in our Route 66 Sermon Series in the book of 2nd Chronicles. We will learn how to build a faith that others can benefit from when we are long gone. A lot of times we focus on leaving tangible things that can be destroyed, instead of spiritual things that can never be eliminated. I want you to pay close attention to today's message and take the information that speaks to your life and apply it and watch God work!

Please continue scrolling through our digital bulletin below as well as paying attention to the information on our church app. Again, we are committed to Empowering People to Live Beyond Life Limitations, and it is my prayer and hope that you feel empowered after today's experience!
