Moving Beyond Preparation into Greater Authority, Capacity, and Kingdom Impact
There comes a time in every apostolic journey when what brought us to this point will not be sufficient for where God is taking us. We must enlarge our capacity, deepen our spiritual maturity, and prepare for greater Kingdom responsibility. Apostolic Dimensions is designed for those who are ready to move beyond yesterday's experiences and step into a greater expression of their God-given assignment.

The
Overflow
When God's River
Exceeds Our Boundaries
Ezekiel gives a picture of what God is releasing in the earth today
• River flowing from presence of God that became progressively deeper
• *Ankle deep, waist deep, until it became **"a river that could not be crossed"*** (Ezekiel 47:3-5)
• What was experienced in past cannot contain what God desires to release today
• River going beyond familiar places of churches, ministries, gatherings
• **"*Everything will live wherever the river goes*"** (Ezekiel 47:9)

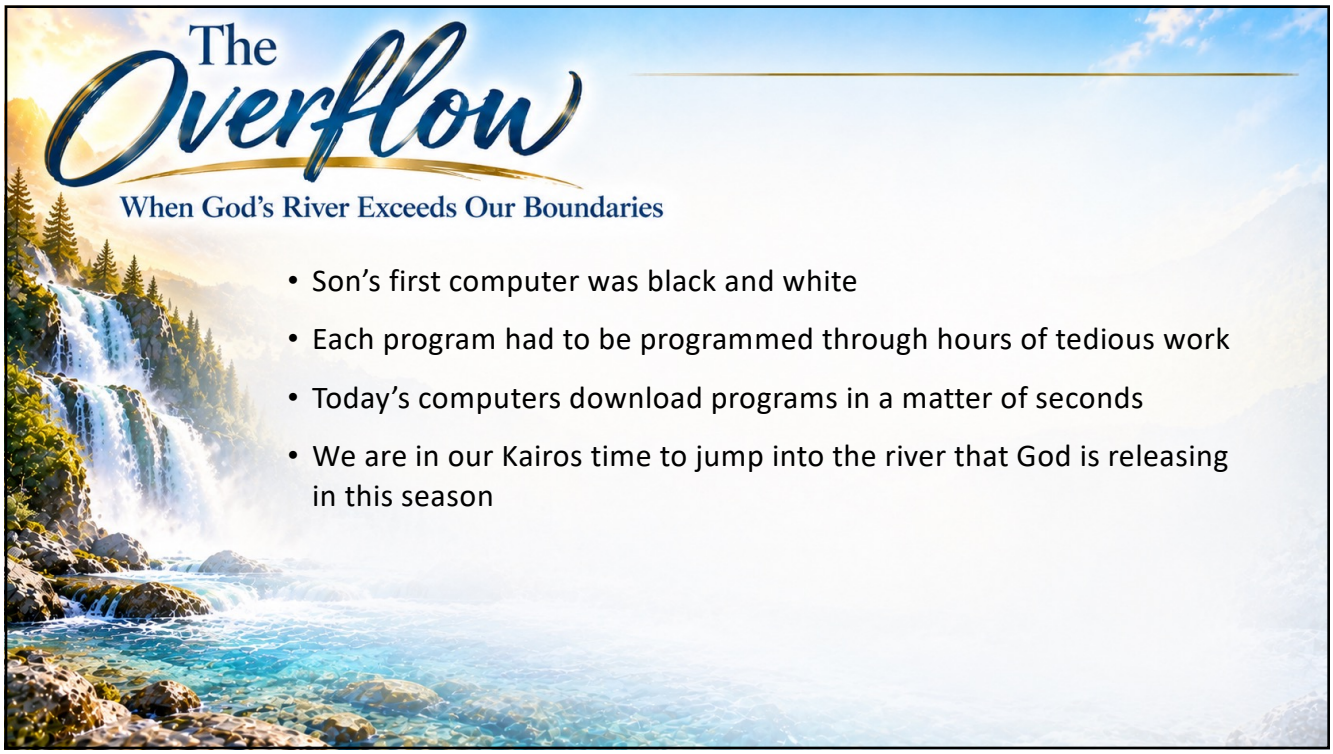

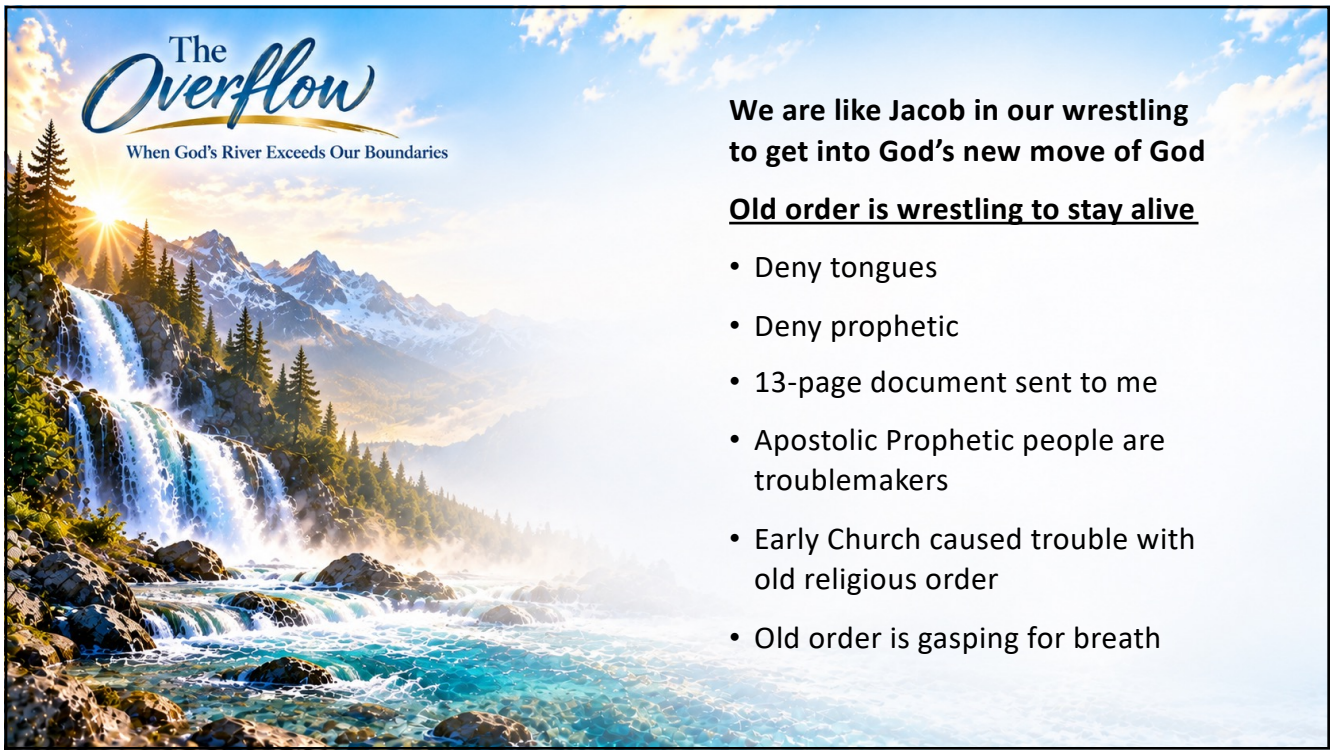

River would spill out into places that were previously dry and barren

- River will touch lives that have never been touched before
- River to be released in desert places
- *"Do not call to mind the former things, or ponder things of the past. Behold, I will do something new, now it will spring forth; Will you not be aware of it? I will even make a roadway in the wilderness, rivers in the desert"* (Isaiah 43:18-19)

- Past moves of God experienced powerful demonstrations of the Spirit
- We are thankful for those moves and appreciate what God did in the past
- Cannot live in the past
- Past revelation was epic in its day
- God has opened the realm of the Spirit and is revealing new things to this generation
- Today, God is releasing revelation of unheard–of proportions in the past

• Son's first computer was black and white
• Each program had to be programmed through hours of tedious work
• Today's computers download programs in a matter of seconds
• We are in our Kairos time to jump into the river that God is releasing in this season

We are like Jacob in our wrestling to get into God's new move of God
Old order is wrestling to stay alive
• Deny tongues
• Deny prophetic
• 13-page document sent to me
• Apostolic Prophetic people are troublemakers
• Early Church caused trouble with old religious order
• Old order is gasping for breath

New apostolic prophetic order is in the birth pangs of bringing forth the new move of God

- Like the dam ready to break
- Like the waters in a woman about to give birth
- The waters of a new apostolic prophetic move are pressing to break open

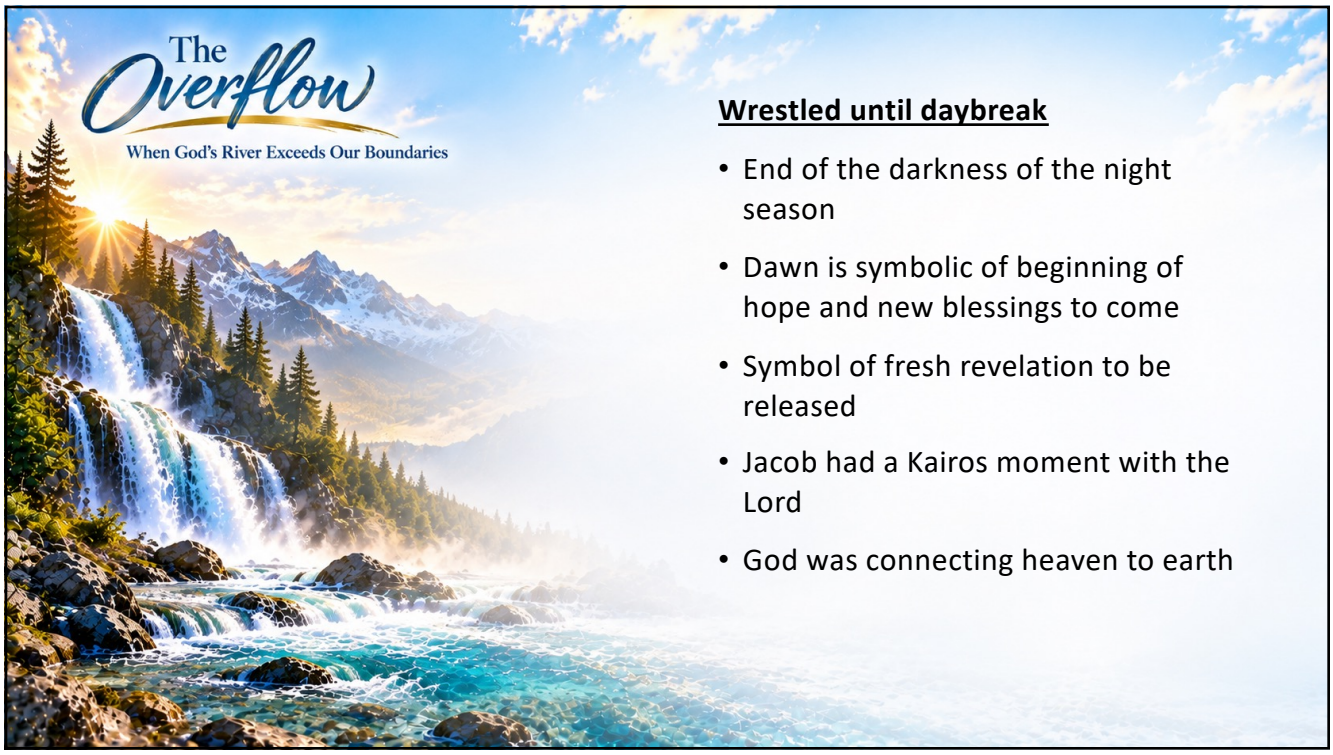

Jacob

Then Jacob was left alone, and a man wrestled with him until daybreak. When he saw that he had not prevailed against him, he touched the socket of his thigh; so the socket of Jacob's thigh was dislocated while he wrestled with him. Then he said, "Let me go, for the dawn is breaking." But he said, "I will not let you go unless you bless me. So he said to him, "What is your name?" And he said, "Your name shall no longer be Jacob, but Israel; for you have striven with God and with men and have prevailed" (Genesis 32:24–28)

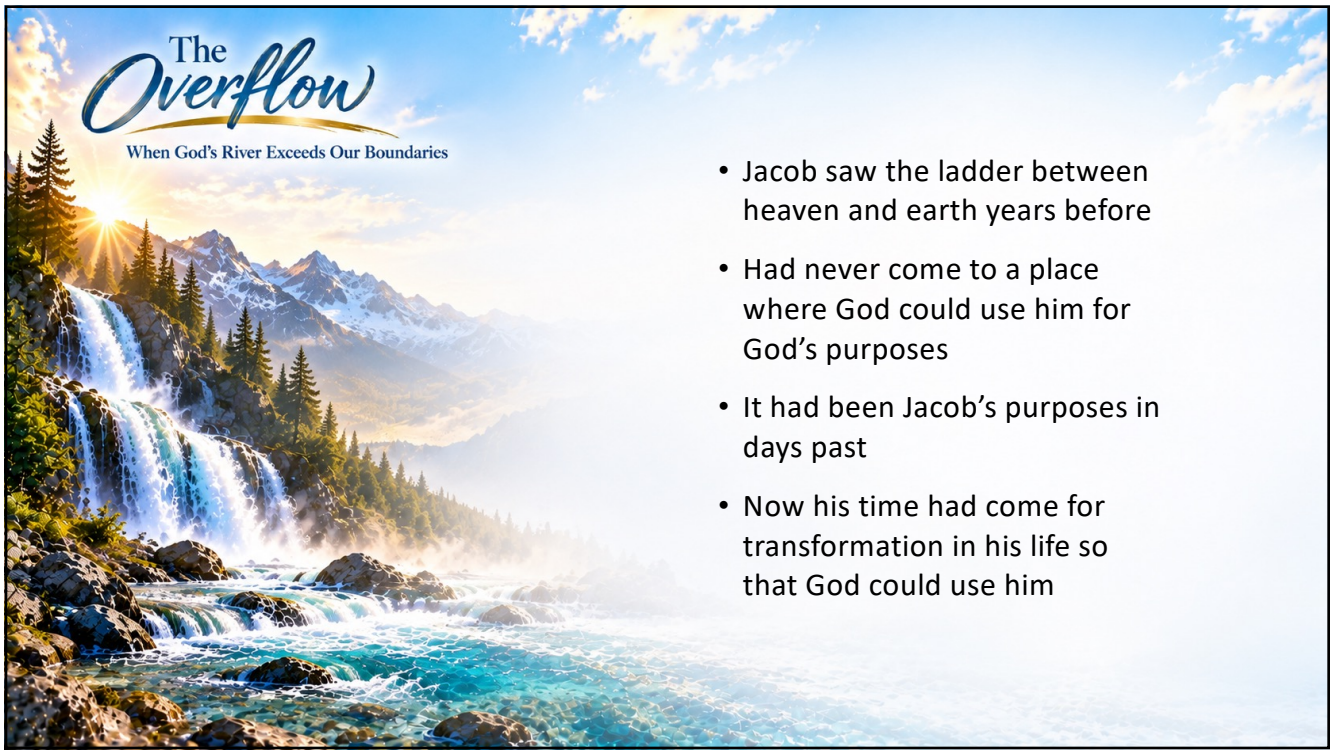

God wrestled with Jacob

- God is wrestling to bring His people into their true God-given identity
- Your past identity is not who you are
- It is not your potential or your future
- Jacob became Israel
  - Israel means **"Striver with God"**
  - **"God commands"**

Wrestled until daybreak

- End of the darkness of the night season
- Dawn is symbolic of beginning of hope and new blessings to come
- Symbol of fresh revelation to be released
- Jacob had a Kairos moment with the Lord
- God was connecting heaven to earth

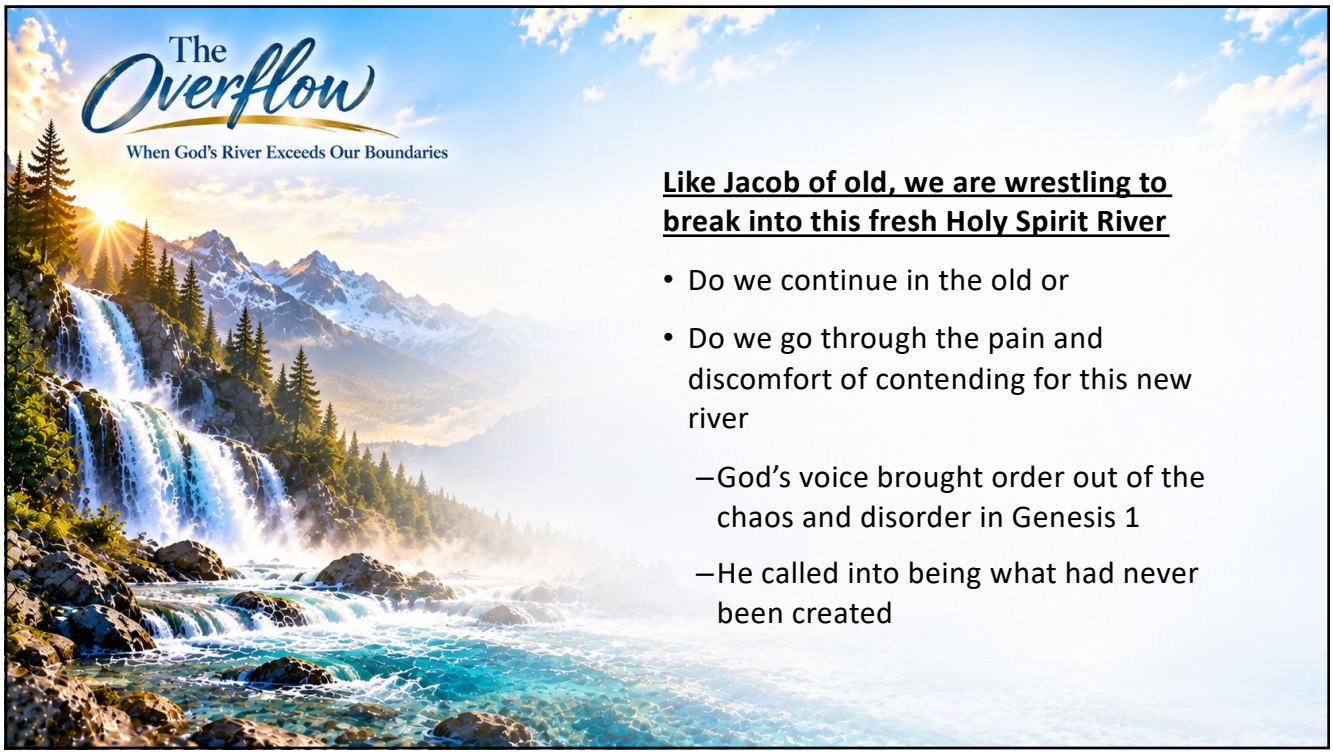

- Jacob saw the ladder between heaven and earth years before
- Had never come to a place where God could use him for God's purposes
- It had been Jacob's purposes in days past
- Now his time had come for transformation in his life so that God could use him

<u>God has a right timing for speaking</u>

- A ***Kairos*** moment in your life will connect heaven to earth
- Releases what is in heaven to earth
- Will affect every sphere of culture
- Affects destiny of nations
- Your ***Kairos*** moment will release you into God's Kingdom purpose for your life

Like Jacob of old, we are wrestling to break into this fresh Holy Spirit River

- Do we continue in the old or
- Do we go through the pain and discomfort of contending for this new river
  - –God's voice brought order out of the chaos and disorder in Genesis 1
  - –He called into being what had never been created
