VANITY OF VANITIES

a series on ecclesiastes

Reflection Questions

What are some of the things you desire in life? Are these desires inherently good or bad?

When you satisfy these desires, how do you feel? How long before that desire returns?

What is wisdom? How does one pursue it and where does it come from?

How do you balance work and rest? Where is the line between laziness and overworking?

How can you better enjoy the fruits of your labor while still finding contentment in Christ?
