Reflection Questions

Have you ever had a time when you were afraid of making your faith public? Have you ever denied Jesus with your words or actions?

What does it mean to be salt and light? How do these two things benefit us? How can they be interpreted in a spiritual sense?

How do Christians make the world a better place? How can our church act to spread God's goodness in our community?

Why should our good deeds be seen by others? Is there a danger to having our good works noticed?
