Reflection Questions

To which of the two sons do you relate to more? Why?

When have you been guilty of acting like the elder son?
When have you seen others act this way?

How did the elder son treat the father? What might that
reveal about our approach to God?

Why isn't the elder son able to recognize his self-
righteousness? Why is it so hard for us to recognize our
own?

How do we avoid becoming like the elder son?
