SACRED SEXUALITY | Discussion Guide

Why do you think people often separate sexuality from spirituality, and how does 1 Thessalonians 4:1–8 challenge that separation?

Where have you seen culture move the boundaries of sexual intimacy away from God's design, and how has that shaped your own assumptions?

How has sexual sin affected you, your relationships, your family, or your view of God's design for intimacy?

Why does pursuing holiness require surrendering our bodies and desires to the lordship of Christ?

How does 1 Corinthians 6:9–11 offer both a serious warning and real hope for those with sexual sin or brokenness in their past?
