PARADISE TO PROMISE | Discussion Guide

Where do you feel “homesick” for Eden most right now—God’s presence, provision, purpose, or communion? What’s one concrete moment this week that revealed that longing?

Where are you tempted to earn what God wants to give—approval, security, peace, or control? What would it look like to receive it as grace instead of striving for it?

In what area of your life do you most need God’s nurture—supported, not smothered? How can you tell the difference between God’s guidance and your urge to control?

How has your work (job, parenting, ministry, studies) drifted toward weariness? What’s one small change that could turn it back toward worship this week?

Where are you living in isolation—hiding, withdrawing, self-protecting, staying “fine”? What step toward communion could you take (confession, invitation, honesty, time)?
